CIRCULATION.

The Daily Press of Memphis.

The laws of the United States, governing the assessment and collection of taxes on the this law, the morning daily press of the city of Mamphis made the following returns,

## Committee of the Commit

OFFICIAL JOURNAL OF THE CITY.

for Senator Blair's first vote in the his feeble circulation enough to be Senate, which was cast in opposition | worth bragging of. to his party on the income tax. We "O, while you live, tell truth, and sham the devil," see the vote explained upon the ground that Blair's constituency in part of farmers and tillers of the soil. following extract from the record exwho return no income and pay no hibits it: fax, like the same class in every other UNITED STATES INTERNAL REVENU State of the Union. The income tax Account of all sales by the Memis regarded in Missouri and in all the phis APPEAL Publishing Company Western States as a tax upon the capi-talists and manufacturers of the East-and State of Tennessee, during the ern States, whom they think can afford to pay that much toward the of the United States: equalization of taxes upon the people Sales by manufacturers... generally. Blair, therefore, voted [Signel,] MEMPHIS APPEAL PUB. CO.

in the cotton tax case now on trial be-in the cotton tax case now on trial be-[Signed,] A. D. WITHERSPOON. fore the Supreme Court. The case of Farrington vs. Saunders is the only case pending in any competent court, and all other cases have been barred by the statute of limitations, so far as judicial remedies are concerned. This suit involves only \$2500; and having been instituted to test the question ports, the products of Southern and Western States, while the productions of other States are exempted, comes ties who have not resorted to their cellar in the Latin quarter, says: and property by mistake in inflicting

the action of the United States. An inflammatory circular has been put in circulation, which denounces Baez, the accomplice of President Grant, sending them some frightful and tormenting wound. One fellow was within four feet of a shell when it sale of our country for a mess of pot-tage." It appeals to the Dominions touched him, but the slame had burned to take up arms, "and hurl from the seat of power the vulgar tyrant who is oppressing and betraying us." It from the crowd whom horror had at denounces the scheme as a made-up linst frozen into statues, but a greater job by the Yankees to plunder them, and exclude them, with are and sword from the benefits of that we were for short shrift for Dusword, from the benefits of that we sword, from the benefits of that material progress which Baez and his cutthroats hold out." The circular, signed by a thousand patriots, says:

Lying, wheedling and bribery have not yet been able to complete the

not yet been able to complete the soon weaponed, and were tearing off two-thirds of favorable votes which to do it, when their attention was are required in the Senate at Wash- diverted by another explosion. ington for the realization of this wick-ed plan, and already the fillbusters who are ripening it in connection with a handful of Dominican traitors, are congratulating themselves, through a salaried press, with the hope that the conquorers of Lee will not fall to keep.

A Case for the Congressional Smelling Committee. the rudest elements of Dominican so-ciety aloof from all interference with the material progress of the country. And do you know, sons of Auguste and Fabre, what these terrible words signify? They contain a sentence of Soth ult., about 8 o'clock, Mr. George condemnation and death against us all. They announce to us the sad fuall. They announce to us the sad future that awaits us, if we suffer the flag of the cross to be lowered and permit that of the Stars and Stripes to be raised in its stead.

The Augusta Constitutionalist is correct when it asserts that should this Government purchase San Domingo, it will have a sweet time in settling titles to its new possession. The Seminole war may have to be remained to Eden went to Pinckneyville, together, on that day, on horseback, and while there indulged freely in whisky, and in a state of intoxication, in the avening returned to the residence of M7. Brown, where Dewoody and his wife had been residing for several weeks, and bitching their horses at the gate.

Attachment Notice.

No.1237 & D.—In the Second Chrait Court of Eden went to Pinckneyville, together, on that day, on horseback, and while there indulged freely in whisky, and in a state of intoxication, in the avening returned to the residence of M7. Brown, where Dewoody and his wife had been residing for several weeks, and thickney to the residence of M7. Brown, where Dewoody and his wife had been residing for several weeks, and the new control of the court peated; or, if the more peaceful plan went into the house. They had been ed, there is no telling where the costs will end. But the more money paid out the fatter the job. The whole proceeding is a producus job of a money deeding is a producus job of a money deeding. What share is held in it by the Grants and Dents, and all that patriotic family connection, is a puzzle to outsiders. Why should the Yankees want more territory populated by negroes, seeing the trouble they have had with their Southern conquests? We suppose it is to bear a small sum of money the refusing to go, brown and returned that each cut and returned that each cut, noder section said and returned that each to each the coarse and returned that each cut, noder section said and returned that each cut, noder section said and returned that each cut, noder section said of the Code, and returned that each cut, noder section said of the Code, and returned that each cut, noder section said of the Code, and returned that each cut, noder section said and returned that each cut, node section said and returned that each cut, noder section said and returned that each cut, noder section said and returned that each cut, noder section said and returned that the order cut, node section said and returned that the order and returned that the order and returned that the order, and returned that the order cut, noder section said and returned that the order, and returned that the order, and returned that the order, and returned that the order and returned that the order, and returned that the order and re of buying up the resistants be adopted, there is no telling where the costs will end. But the more manay raid have had with their Southern conquests? We suppose it is to have more pickings and stealings in new fields for carpet-happers, and more fields for carpet-baggers, and more in the breast, when he sank down

negroes' backs on which to ride into office.

If may be convenient to falsify to present writing have not been captured. Parties are in hot pursuit, entire trail, and it is to be hoped that they will be speedily overtaken in their trail, and it is to be hoped that they will be speedily overtaken in their database vertaken in the association as a continuing difference of circulation of the two papers, revealed by the sworn returns, that "the circulation is not sworn to." That is an astomishing whopper, which we did not think even our neighbor had brass enough to put forth. The Appear committed, with his wife, lived with the sworn to its returns of the time the fold marker was princed to swear to its returns of the time the fold marker was princed to swear to its returns of the time the fold marker was a wife and swords. The marker was been marked to be sank down and the sank they will be speedily overtaken in the breast, when he cap word upon the real swear to its returns of the sank down and that the defen and the time the fold marker was a wife and swing to part of the sworn returns, that "the circulation is not sworn to." That is an astomishing whopper, which we did not think even our neighbor had brass enough to put forth. The Appear enough to put forth. The APPEAL who, at the time the four marrier was committed, with his wife, lived with Brown's family. Dewoody is a young man about twenty-five years old, dark complexion, black eyes, black hair, and about flye feet ten inches is high. and whoever has an income to report, wall knows. The assessor informs us

and whoever has an income to report, well knows. The assessor informs us

and about five feet ten inches in hight. He was formerly a resident of this county, where his father still resides, well knows. The assessor informs us

We understand that Dewoody was at the policyton is made soon.

JAN. SUTTON.

be believed that the Aralanche meant to speak the truth when it said, "The On yesterday afternoon gross receipts of manufacturers, require that which warns advertisers not to go to of the criminals, and it is carnestly they should be sworn to. In accordance with it if they want their money's worth, hoped that they will both be captured it says also that the circulation "is before they get out of the State." showing the amount of their respective sales published to the world in figures in for the quarter ending the list of December, the books printed by advertising APPEAL, - - - \$9,479 40 agencies." Well, in its own lan-AVALANCER, 4,783.85 guage, "Who gives the figures?"

EUN. 3,715.40 We should think men who The above speaks to advertisers and the would say in the face of this commu nity that the income returns are not sworn to would be able to put the figures high enough at least to advertising agents. We advise our neighfor to stop fibbing, so as not to run he risk of getting so much worse that e will not be believed the next time THURSDAY MORNINS, : : FEB. 9, 1871 he swears to his returns. And then nobody will believe when he does MANY Democrats could not account if ever he should succeed in raising

as to the power of Congress to tax ex- Awfel Scenes is the Latia Guarier Paris. A balloon letter from Paris during rather late for the benefit of par- the bombardment, written in a wine remedy in time. But the Southern darkness, for the lantern-light which people have become used to illegal falls upon this paper scarcely carries exactions, and have learned to ex- its feeble rays so far as the edges of the pect no justice. That is the reason, table on which it shines. We hav probably, why only a single suit has improvised a weak bomb-proof by been instituted. Sixty millions have been taken from them by this tax, in addition to four thousand millions by the abolition of slavery and as much more by the havocof war. And even by the bavocof war. And even by the bombardment. He was in front and orphans has been taken, or money when a huge shell plumped down and property by mistake in inflicting blew off half of his head. He was at military ponalties, or where property announced by word of mouth everyonce dressed out for burial, and it was has been otherwise taken for public where that he would be at home to reuse from persons not engaged in the ceive visitors at any hour between the "rebellion," no remedies have been days of his death and that of his burial. Hewas displayed for the special provided and no restoration made. It may be well enough to have a decision of the Supreme Court which will forbid the enormity of another cotton tax, as it is better to be robbed only once instead of twice or more. But the decision in this cause will otherwise, and as to the past, be worthless for the practical purpose of any restitution to planters. By the time the country is able to pay off its bonded and other be any realization of the pic acknowledged indebtedness, if at tured dance of death. We are all lowed to go on with our industries in peace, we shall have forgotten our know. The boulevard is nearly as losses and be able to do without what crowded now as It has been any day in many cases ought to be restored to since the siege. Men with their eyes fixed on the ground, and muttering—sheer monomaniaes—are walking to ing but a test case for the assertion of and fro, like caged tigers, from the a constitutional right, which we may bridge to the Luxembourg Garden, hope will be observed for the future. only pausing every now and then to shake their fists at the stars. Ever and anon a splinter strikes a madman LATE accounts from San Domingo and his corpse lies there for the living represent great excitement throughout the whole country, on account of turn. Madness has brought these prospections out of their college and its prospections out of their college and its prospections.

MURDER.

From the Benton (III.) Standard, Feb. 2.] We are informed from a reliable

that he requires a sworn statement in his father's, in this county, on Tues every instance. How, then, is it to day evening, and was again seen by be believed that the Assauche meant circulation is not sworn to"? To es- Moore, in company with E. M. Brown

cape the truth as to its circulation, the murdered man's brother, and several others, left Benton in pursuit
